Re: ERRATUM to Comments filed June 2, 2003
CC Docket No. 99-266

Dear Ms. Dortch:

On Monday, June 2, 2003, the National Telecommunications Cooperative Association filed Comments in response to the Commission's Second Further Notice of Proposed Rulemaking, FCC 03-51, released on March 14, 2003, regarding Extending Wireless Telecommunications Services to Tribal Lands. Page two of the Comments is being resubmitted with the following corrections.

The second sentence on page two is corrected to read as follow:

The stricter buildout requirement **prevents** spectrum hoarding and ensures that carriers applying for the credit use this **advantage** for the intended purpose of **providing** services more rapidly.

The three-bolded words in the sentence listed above replace the incorrect bolded words filed in June 2 comments: **presents**, **advantages**, and **averaging** .

If you have any questions, please contact the undersigned.

Sincerely yours,

/s/ L. Marie Guillory
